

## **Three Sphere Planning Session: Delineating key priorities for consideration and implementation during the final year of the sixth dispensation.**

Date: 29 March 2023

### **1. INTRODUCTION**

The NPC participated in the Three Sphere Planning session held by the National Council of Provinces (NCOP) on 29-30 March 2023. The theme of the session was “Delineating key priorities for consolidation and implementation during the final year of the sixth dispensation”.

### **2. OVERVIEW**

The main objective of the session was to address weaknesses in policy implementation and coordination across the three spheres of government. The session aimed to identify and address the root causes of problems that hinder the efficient implementation of key development goals, and to create a coherent planning and implementation process across the three spheres of government.

### **3. CONCLUSION**

The ultimate goal was to enable the NCOP to effectively serve as a coordination and implementation body for the three spheres of government, by providing targeted and outcome-based oversight. During the session, the NPC emphasised the importance of implementing the NDP to achieve its goals.
