

The National Planning Commission (NPC) invites you to a

VIRTUAL DIALOGUE

with the Western Cape's Commissioner for Children, **Ms Christina Nomdo**, on the Children's NDP Report and the Lessons for Development Planning.

24 NOVEMBER 2020

Time: 10:00 until 12:00 | Please ensure you RSVP by 23 November 2020 to Lelo Ndzimela lelo@hotheadmedia.co.za or Dakalo Netswera Dakalo@dpme.gov.za

The NPC identifies children as important stakeholders to be engaged as active citizens. In producing the report, the NPC engaged children from all nine provinces of South Africa. It gives insights from the children about their rights, citizenship and the role government and other organizations should play to build human capacity from childhood in order to give effect to and enhance the proposals in the NDP.

The report also contributes to the wider assessment of realising children's constitutional rights to the provision of services, protection from harm and participation in decision-making which build the responsible citizens we need for a more democratic South Africa in the future and make recommendations to strengthen development planning.

This report, as well as an analysis and process reports are available via:
