

The National Planning Commission (NPC) invites you to a

VIRTUAL DIALOGUE

ON ANTI-RACISM

09 DEC 2020

Time: 09:00 until 12:30 | Please ensure you RSVP by 08 December 2020 to Lelo Ndzimela lelo@hotheadmedia.co.za or Dakalo Netswera Dakalo@dpme.gov.za

The South African Government has been preoccupied with Social Cohesion and Nation Building since the advent of democracy in 1994. Chapter 15 of the National Development Plan (NDP) calls for transforming and uniting the country reiterates the need to remove the social fault lines between citizens created by decades of apartheid-rule and enhance stable and productive inter-group relations between the diverse sections of society.

Using the concept of a Rainbow Nation, it advanced Nation Building as a policy objective aimed at achieving social cohesion and nation building. Different stakeholders have a responsibility of working towards the attainment of this objective, especially institutions of higher learning.

The NPC is focused on addressing the most critical needs of our community and dedicated to advancing diversity, equity and inclusion for all, and must begin to address how to undo racism and become “anti-racists” at an individual, community, and societal level.
